## Thank You from the Knights

I wish to extend my deepest gratitude to everyone who helped put on our country breakfast on Sunday. Whether you helped advertise, organize, buy food, prep food, cook food, wait tables, set up, clean up, tear down, or anything else along the way, we couldn't have done it without you.

Thank you so much.

Calvin Marusin, Knights of Columbus

## Varsity Boys Basketball

The Boys Basketball Team definitely had a winning season, not so much in terms of # of games won but in so many other ways.

The team developed a strong team spirit, supporting and encouraging one another and had a lot of fun!

The team had several top notch players.

But some of the boys had little experience playing the game. As the season progressed, they learned the game and grew in their skills and confidence.

The younger boys could say they played with the big guys.

The boys had to learn how to be flexible. Sometimes not all the players were able to be at the game, but they played hard with whoever showed up to play.

Thanks to the parents and their classmates who showed up to cheer us on!  
That was definitely a boost.
