**LENTEN PROJECT—Collecting for  
St. Joseph Pantry**

The students of Saint Kieran School, and their families, were involved in donating items for this project. Some items included: mac and cheese, granola bars, fruit cups, snacks, pudding cups, tuna fish, cans of vegetables, tooth brushes, soaps and shampoos.

Together, we are making a difference for people in our community .

We join together with all of our Saint Joseph Volunteers ... in thanking all the students and families of Saint Kieran School for their kindness, support, and generosity !

May God bless you all!

**Congratulations**

## SKCS Girl's Basketball

The girls basketball team continued their winning ways last Thursday. With their 32 to 1 victory against All Hallows, the girls ran their perfect record to 5 wins and no losses.

Aja Antonio stepped up and played her best game of the season scoring 20 points. Hailey Farida added 6 points, Kisha Encarnacion poured in 4, and Ashley Smith had a bucket. Anna Cribbs led the team with her tenacious defense. All of the girls played great with their usual hustle, desire and teamwork.

On  
The  
Move!

Lily Perez sent Wee Kieran to her friend in Romania. Her father is a missionary pastor. For Palm Sunday and Easter they went to Bulgaria and Mount Olympus taking these photos with them. In Bulgaria, They use willow branches instead of palms to show they are Christians.

The Staff arrived on Monday morning to a refrigerator overflowing with yogurt, fruit, drinks, cheese and crackers, and a table full of bagels & cream cheese, pastry and flowers. Enough goodies to last us until the summer. What an amazing Surprise. We thank you with all our hearts— so thoughtful!
