SCRIP

Are you aware that Saint Kieran Catholic School conducts a year-long fundraiser called SCRIP? Don't let the name intimidate you. Last school year, we raised approximately **\$28,000** just by purchasing gift cards. And yes, SCRIP includes reloadable cards.

Our school has an annual fundraising obligation of \$6,000 (\$4,000 for new parents). This year, our target is **\$35,000**. The funds are allocated to after-school programs, playground improvements, the STEAM Lab, and hopefully, to our multi-use game area.

I aim to keep you informed about new offers and our monthly earnings. If you have any questions about signing up or ordering your cards, please don't hesitate to call me or visit the church office to pick some up. While we don't keep a large stock of cards, we can certainly procure them for you.
