# VOLUNTEER SAFETY TRAINING

If you plan on attending school events, such as class parties or field trips, you **MUST** complete the training on CMG Connect: Safe Environment & the Background Check. It doesn't take long and it is mandatory!

If you have already completed CMG, please take a moment to check that it has not expired. The renewal process takes minutes to do. Your certification requires renewal approximately every 5 years.

Did you know you could buy scrip straight from your phone!? 😲

No need to worry if we carry things on hand. Simply scan the QR Code below, download the RaiseRight App, set up an account using St. Kieran's Code for credit: F3FD87CD9458. You only need to set everything up once! from many stores, reload gas cards etc. Your support is just one easy click away.

We pause to remember the great losses and courageous acts of September 11th. We lift up those who are still affected -- families of the victims, police officers, firemen, first responders, and all who were involved. We pray for the light of Christ to flood the hearts of people everywhere.
