## **6th Grade Cont.**

For your second book, you get to choose! The only requirement is that it must have 'chapters'. For this book you will turn in a reading journal. For this reading journal, you will write 1 paragraph (6 sentences minimum) for every 3 chapters that you read. These 1 paragraph journal entries can be about the plot, the characters, literary styles that you found intriguing, or even simply how those 3 chapters made you feel. Please include the date that you write each entry, just like a journal. For this assignment you will need:

- Any book with chapters
- A small notebook, journal, or even just loose sheets of paper stapled together.
- A pen (must be handwritten)
- Cursive writing
- Proper punctuation and spelling
